

**PRIVACY NOTICE COVID-19 / FLU / RSV VACCINATION PROGRAMME
2026-28**

To enable the deployment of the COVID-19, influenza (flu) and respiratory syncytial virus (RSV) vaccination programmes Welsh Ministers have directed Local Health Boards to request GP practices to make the following information available to Digital Health and Care Wales (DHCW) for the purpose of identifying priority groups, to send invitations, to book appointments for COVID-19, flu and RSV vaccinations and to manage and monitor immunisations via the Welsh Immunisation System.

Data being collected

Information reasonably required by DHCW to identify individuals eligible for a COVID-19, flu and RSV vaccination (in line with the eligibility criteria set out in the UK Health Security Agency's Green Book (UKHSA Green Book) and reflected in the relevant Welsh Health Circulars (WHCs), and to support the management, delivery and reporting of the vaccination programmes to those eligible. Such relevant information includes (but is not limited to):

- The eligible person's NHS number.
- The category of the underlying health condition which makes the individual eligible to receive a COVID-19, flu or RSV vaccination.

How data is used and disclosed

As directed by Cardiff & Vale University Health Board, relevant information concerning eligible patients will be extracted from GP systems by DHCW and will be added to the Welsh Immunisation System.

This is necessary for the effective monitoring and deployment of the COVID-19, flu and RSV vaccination programmes. The data will be used for:

- 1. Delivery of the 2026 - 2028 COVID-19, Flu and RSV Vaccination Programmes:**
 - To identify relevant eligibility for vaccination and allow eligible patients to be appropriately offered COVID-19, flu and RSV vaccinations.
 - To allow invitations to be issued to eligible patients.
 - To allow vaccination appointments to be booked.
 - To support administrative processes relating to effective resource planning and delivery of the COVID-19, flu and RSV programmes.
- 2. Reporting on the 2025-26 Flu Programme**
 - The data will also be used to process information collected during the 2025-26 flu vaccination programme for statutory reporting purposes.
- 3. Statistical and monitoring purposes**
 - To manage and monitor COVID-19, flu and RSV immunisations.
 - To assess the effectiveness of the vaccination programme.
 - To support development and publishing of routine reports using anonymised data by NHS Wales staff. This reporting will subsequently inform decisions about how to improve COVID-19, flu and RSV programme delivery by NHS Wales and Welsh Government.

Legal basis for processing

In accordance with paragraph 85 of Schedule 3 to the National Health Service (General Medical Services Contracts) (Wales) Regulations 2023 ("GMS Contract Regulations"), Welsh Ministers have directed Local Health Boards to request GP contractors disclose the relevant information for the delivery of the COVID-19, flu and RSV vaccination programmes, in line with the eligibility criteria set out in the UKHSA Green Book and reflected in the
